GV Victoria Refund Policy for Homestay Fees

The refund to which a student is entitled is calculated on the total homestay fees due under the contract. Where total homestay fees have not yet been collected, the school is not responsible for refunding more than has been collected to date and a student may be required to make up for monies due under the contract. Cancellation is considered to be effective from the end date specified in the cancellation notice.

Cancellation BEFORE the homestay start date:

- If a student cancels 12 weeks or more before the homestay start date, 100% of homestay fees will be refunded.
- If a student cancels 12 weeks before the homestay start date, 100% of homestay fees will be refunded, with the exception of the Homestay Placement Fee.

Cancellation AFTER the homestay start date:

- In the event that a host family failed to meet the required homestay conditions, the student will be moved to another Homestay at no additional charge. No refund will be given for the period of homestay already used.
- If a student cancels 4 or more weeks prior to the effective cancellation date, then the Homestay Placement Fee and any used homestay fees will be retained, and 100% of unused homestay fees will be refunded.
- If a student cancels less than 4 weeks prior to the effective cancellation date, then the Homestay Placement Fee and any used homestay fees will be retained. In addition, 4 weeks further of homestay fees will be retained, and a \$150 cancellation fee will be charged. 100% of remaining homestay fees will be refunded.

"A teacher's job is teaching English, I thought. But I was not correct. Teachers here are very friendly and very happy to help us, not only in English study but also job hunting thing or how to communicate with people or host families. I really appreciated it, I was very happy to be here." - **Kanaho, Japan**
